

THANK YOU!

Some members of the Editorial Board reached the age of 70; by the regulations of *Mathematica Pannonica*, they will leave their official positions and have become Honorary Editors and Honorary Advisors, respectively. We thank Prof. Wolfgang Breckner (Cluj-Napoca, Romania) and Prof. Romano Isler (Trieste, Italy) for their many years of work for *Mathematica Pannonica*.

Prof. Wolfgang Breckner

Prof. Romano Isler

And special thanks go to Prof. Sándor Komlósi (Pécs, Hungary), who resigned of his position of Managing Editor. He will continue his work as a member of the Advisory Board. He has done a lot of work in the editing of our journal.

Prof. Sándor Komlósi

According to the statutes of *Mathematica Pannonica*, all of them did the work without any payment.
